The Pik Rite Hydra-Pull 1880 VB

Built to Work the Way You Work

- Pik Rite's latest addition to our line of Manure Handling Equipment

- Developed to meet the demands of larger farm operators and custom haulers

- Shreds packed manure and spreads in wide pattern

"It's the best thing since the invention of the pitchfork."

www.pikrite.com   800-326-9763

Features and Options:

- Vertical Beaters provide a wide and consistent spread pattern.
- 27,500# axles w/ heavy-duty lubricated wheel bearings.
- 700/40-22.5 tires for better floatation and high weight capacity.
- 10,000# side wind jack with safety chain is standard.
- Vertically adjustable articulating implement hitch with greasable ball and socket for smooth operation. (max pull exceeds 180,000#)
- All bearings have easy access grease fitting banks.
- Air drum brakes for consistent stopping power and longer life, compared to disk brakes.
- Tapered sides with set-in wheels allow for easier loading.
- Hydraulic driven hook and eye apron chain handles large loads with ease.
- Unloading speed from 0 to 16ft per minute.
- Hydraulic endgate contains free flowing material.
- 3/8" rubber protection flap hangs from endgate to protect tractor and operator.
- Road safety and field work lights standard.
- Available in green or industrial yellow.
