

EJECTOR SERIES

PUSH-OFF TRUCK BODIES

BUILDING A BETTER DUMP TRUCK

The Ejector Series Push-Off Truck Bodies from Pik Rite deliver increased safety and performance in a wide variety of applications. Inspired by the Hydra-Ram technology Pik Rite has utilized in manure spreaders for decades, the Ejector Series uses a heavy-duty horizontal cylinder and engineered push panel to offload.

REDUCE SAFETY RISKS

- ★ Bridges/Overpasses
- ★ Uneven Terrain
- ★ Overhead Wires

INCREASE PERFORMANCE

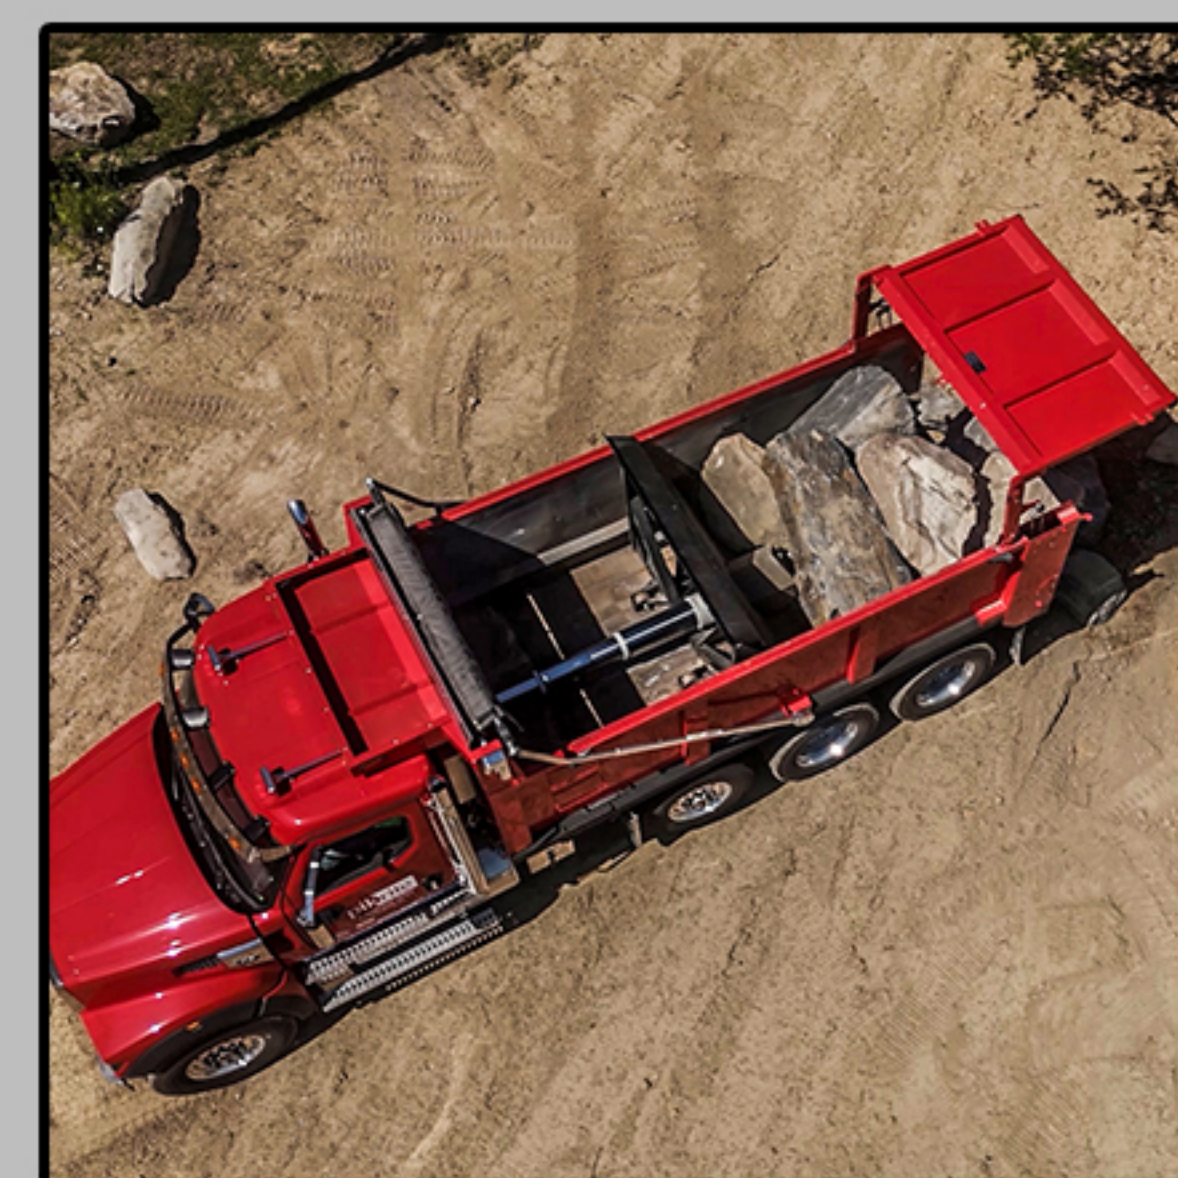

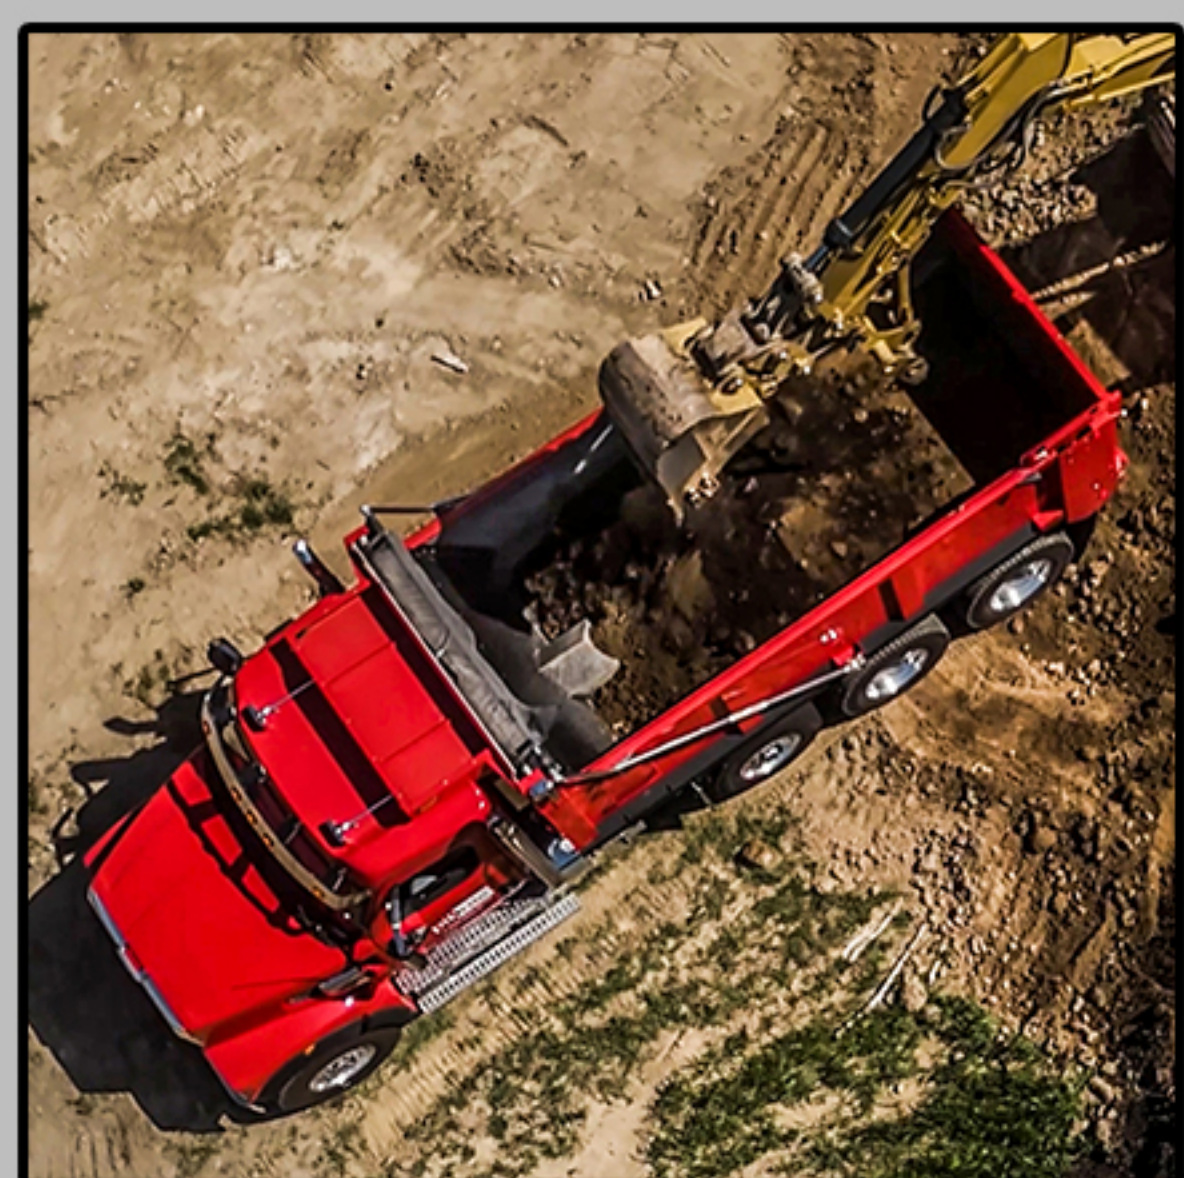

- ★ Tailgating
- ★ Road Treatment Application
- ★ Metered Offloading
